

MIKE BAILEY PAINT SERVICES PROJECT PROFILE

Shepparton, Victoria Private Hospital

Project:
**Refurbished reception for
Shepparton Private Hospital**
Time: 2003

Project:
**Energy Star Heat Reflective
on roof and steel facias
Banksia Ward**
Time: 2005 & 2011

Description:

1. Internal feature wall painting project

As part of an on-going internal refurbishment program, a stand out feature wall was created for the Shepparton Private Hospital's entrance and reception, commissioned in 2003.

2. External Energy Star heat reflective projects

Application of heat reflective paint to all external roofing on the Shepparton Private Hospital's Banksia Ward [2005] and steel fascias [2011].
